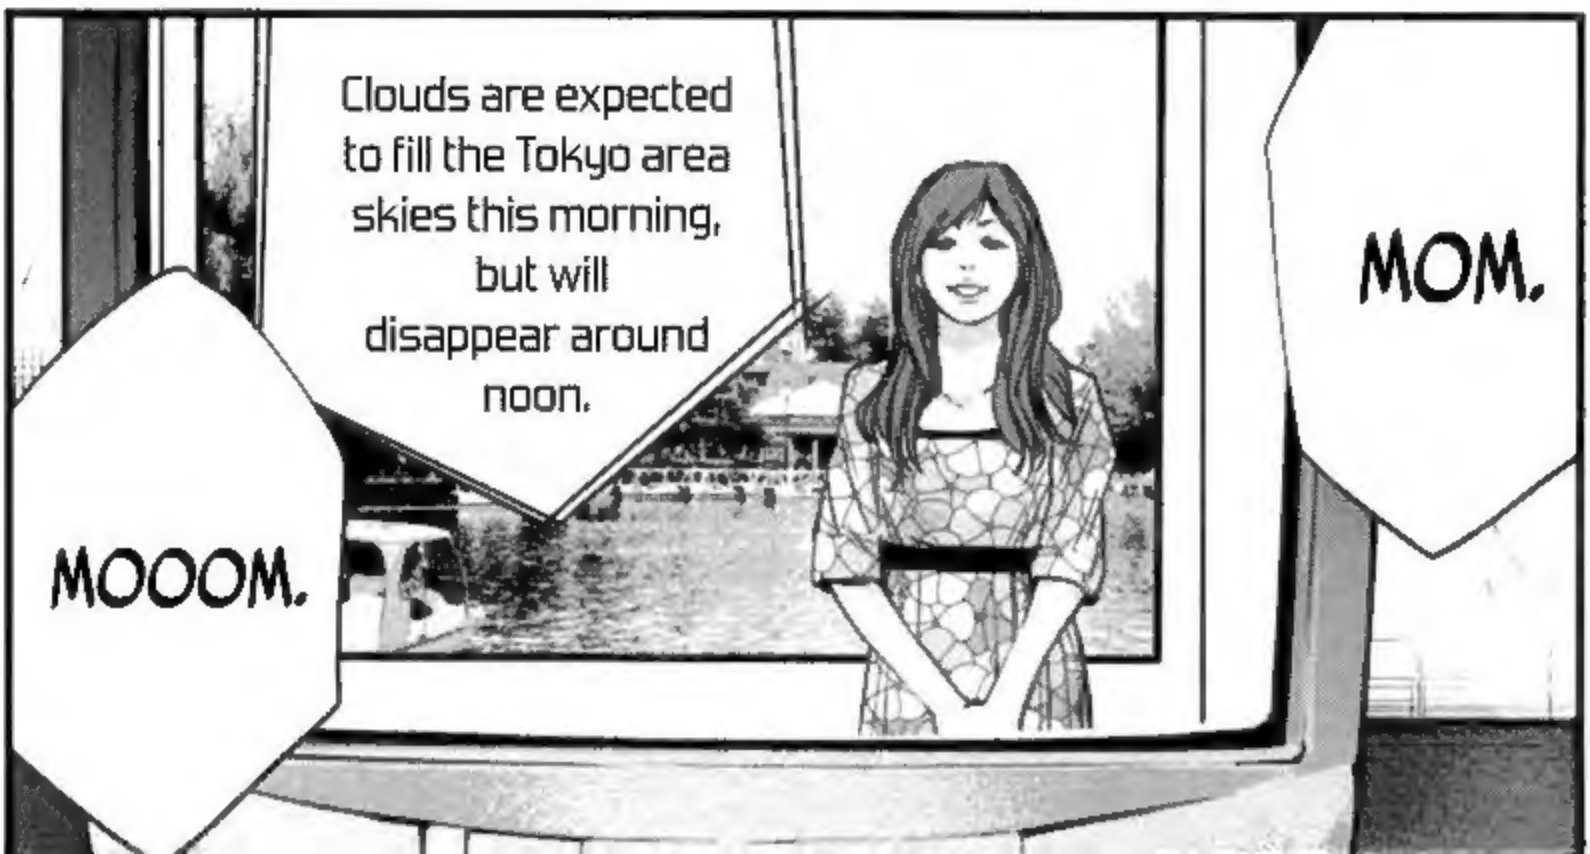
Chapter 268: Onsen manjumanju



Kyushu and Shikoku will get a temporary reprieve from the rainy season,

There should be nothing but blue skies today.

DAD, WHERE'S MOM?

HUH?!

WHERE TO?

SHE WENT OUT...

As for your temperature forecast,

THAT'S A GOOD QUESTION....

It should reach around 28 degrees Celsius in the Kanto region.

Everywhere else outside of Hokkaido should see temperatures above 25 degrees.
